### Furniture Assembly Service Pricelist

#### Zone 1

Service	Cost
Assembly of products up to 2,500€	<b>10%</b> on the initial product value
Special rates for assembly of products more than 2,500€ *	<b>5%</b> on the extra sum of the initial value
Installation/mounting of products, such as: blinds, curtain rods, rails, frames, mirrors, shelves and suspension rails	<b>5€/piece</b>
Minimum charge of visit	<b>25€</b>
Disassembly of IKEA furniture	<b>15€/piece</b>
In-store disassembly service	<b>10€/piece</b>

#### Additional charges per zone

<b>Zone 2</b>	<b>40€/day</b>
<b>Zone 3</b>	<b>80€/day</b>

\*Example: for products of 3,000€ value, the cost of assembly amounts to 250€+25€=275€

#### Notes:

- All above listed prices include VAT 24%.
- Furniture must be located to the space where they will be assembled, which should be clean and free of small objects.
- The assembly crew does not handle the transport of goods between floors and different spaces.
- Consumer is not obliged to pay if the notice of payment is not received (receipt-invoice).
- The assembly charge for products purchased from the As-Is Department or with a discount is calculated based on their initial value.
- Disassembly service in the store, applies for the stores IKEA Airport, IKEA Kifissos, IKEA Thessaloniki and IKEA Ioannina. Maximum waiting time is 2 hours. Service is available until 2 hours before closing time of the store. Kitchen disassembly is excluded.
- In case the works are interrupted not due to the service provider's responsibility, a minimum visit charge of 25€ or charge of the corresponding zone applies.
- For a large volume of products for assembly in remote areas or islands, the service members may need to stay overnight; all costs of accommodation shall be borne by the customer. The customer shall be timely informed about all the charges.
- For furniture assembly on islands, any ticket costs are covered by the customer.
- The assembly crew does not undertake electrical and plumbing works.
